## WGX

A wardrobe that wants to attract attention. With its distinctive design language and selected colors, this wall-mounted coat rack makes every modern decor shine.

In any conceivable combination the colors can freely be attached to any wall.

In addition to its design, the focus was on the usage of sustainable materials and a production „Made in Germany“.

### 100% RECYCLED

This product is made from 100% recycled aluminum. Because this material retains its properties and can be reused after any number of cycles, we are talking about „real“ recycling.

### REDUCED POWER CONSUMPTION

The energy used to recycle aluminum is up to 95% lower compared to the primary production ie only 5% of the energy.

### PRODUCED SUSTAINABLY

Our aluminum travels short distances - a key factor in reducing CO<sup>2</sup> emissions. Sustainable and local!

**The correct article number**

2.

Select from the respective options in the categories A-F. The result is the article number, which you use to order directly from us.

**If you still have questions, then simply call us or send us an e-mail.**

**How can I get my correct article number?**

Easy. For example you want to configure and order the coat rack stand 70\*28?

Proceed as follows: First of all select the desired profile from category **A** e.g. option 2 - the right corner profile 65\*22mm. The first digit after the base number **RG70\*28** is 2.

Select the respective options from the remaining categories. The last 3 or 4 digits are taken from the length of the coat rack, category **F**. For example If you select for a 660 mm long coat rack, the last 3 digits of the article number will be 660.
